

Invitation to a Product Awareness Day

“a new way of caring”

Sponsored by:

VOLKER

YOU ARE INVITED TO A SPECIAL AWARENESS DAY OF HEALTHCARE BEDS, INCLUDING THE VIS-A-VIS, VOTED NEW PRODUCT OF THE YEAR AT NAIDEX 2009.

The Volker vision is to enable all people in need of care to live their life as independently as possible. Volker promotes this philosophy with the beds' functions, which meet care giving requirements by allowing clients to care for themselves through the use of technology.

The Volker Vis-a-Vis continues this tradition by allowing more than just an increase in mobility of clients – it allows for active independence.

“*Vis-a-Vis represents a shining example of the innovation we are currently witnessing within disability product design.*”
